This agreement is set between \_\_\_\_\_, hereafter known as "Seller"

- 2) The Seller guarantees this puppy to be of sound health and temperament at the time of this sale. A health record of all shots and wormings will be provided by the Seller. The Buyer agrees to take this dog to a licensed veterinarian of his/her choice within 72 hours for a physical examination. Should the puppy be determined to be in ill health, the cause of which is clearly attributed by the Seller, the puppy may, upon signed written diagnosis from said veterinarian, be returned for refund of purchase price. No other guarantees are given.
- 3) The seller recommends the puppy be spayed/neutered (usually within 6 months to 1 year of age) if the puppy will not be used for breeding purposes.
- 4) If at any time the Buyer can no longer retain possession of this dog, the Seller is to be given first option of resuming full ownership of the dog in order for the Seller to locate this dog a new home. There is no guarantee of a refund, but one may be extended by the discretion of the Seller. The dog will be returned with all AKC papers and medical records.
- 5) The Buyer and Seller agree to keep each other informed of any major health concerns. This will provide the Seller and Buyer with important feedback and information on the health of Panhandle dogs for future generations.
- 6) AKC registration applications will go home with the puppy. It is understood at the time of sale that this is a pet quality dog and it is representative of its breed. It is structurally and temperamentally suited as a companion, sporting and/or obedience dog. Training classes are recommended for a happy relationship between the dog and family. The buyer agrees to register his/her dog using the kennel/breeder name of Panhandle Pointers/Matt Merrill.
